PhD Program Overview

DBS Global University

DBS Global University's PhD program is thoughtfully designed to cultivate scholars capable of driving impactful advancements in academia, industry, public policy, and global research communities. With a strong emphasis on interdisciplinary innovation and inquiry, the program nurtures future leaders who contribute meaningfully to their respective domains.

Research Areas

The program offers a rigorous curriculum combined with extensive research opportunities spanning diverse fields, including:

- Advanced Computing
- Management
- Modern Media
- Modern Agriculture
- Environmental Sciences
- Forestry
- Pharmacy
- Liberal Studies
- Law

Program Structure

PhD admissions are held twice a year (January and July). Scholars can choose between two flexible formats:

Full-Time PhD: Scholars dedicate themselves exclusively to research and academic pursuits over a minimum period of three years.

Part-Time PhD: Tailored for working professionals, this format allows scholars to balance research with their professional commitments, with a minimum duration of four years.

The maximum duration for completing the PhD, regardless of format, is six years.

Eligibility for Part-Time Candidates:

Part-time scholars must ensure access to appropriate research infrastructure at their workplace. While a primary guide will be assigned from DBS faculty, scholars may nominate a co-guide from their organization, subject to university approval.

Program Highlights

- **Rigorous Research Training:** Scholars engage in a structured curriculum that includes coursework, regular presentations, and academic interactions to refine their research skills.

- Interdisciplinary Collaboration: Opportunities to collaborate across diverse fields foster holistic research perspectives.
- Research Fellowships: Full-time scholars can contribute to prestigious research projects led by DBS faculty.

By fostering a culture of inquiry, creativity, and collaboration, DBS Global University empowers scholars to generate transformative solutions and innovations for global challenges.

Admissions Through Competitive Entrance Exams

Our admissions process is designed to maintain high academic standards. Candidates must qualify through one of the following competitive exams:

National-Level Exams:

- GATE (Graduate Aptitude Test in Engineering)
- NET (National Eligibility Test)
- CSIR-UGC NET (Council of Scientific & Industrial Research)
- JRF (Junior Research Fellowship)
- SET/SLET (State Eligibility/Level Test)
- GRE (Graduate Record Examination)
- GMAT (Graduate Management Admission Test)
- PET (University PhD Entrance Test)

Candidates who are not qualified through other exams can appear for DGU PhD Entrance Test (PET). This ensures accessibility for all aspirants while maintaining academic rigour.

Admission Procedure

Application and Sessions

- Applications for Ph.D. programs at DBS Global University are accepted twice a year (January and July sessions).
- Admission is available for both Full-time and Part-time Ph.D. programs.

Application Process.

Applications for admission must be submitted online accompanied by the required documents and a non-refundable fee of Rs. 1,200/-, payable via Credit or Debit card. Each application is specific to one program and valid for a single session. Transfers from other campuses are allowed after the application has been submitted, subject to seat availability and submission of a No Objection Certificate (NOC) from the parent university.

Selection Process

The selection process consists of the Ph.D. Entrance Test (PET) and an Interview, following UGC Ph.D. guidelines.

- PET-exempt candidates (based on criteria in the eligibility section) will only attend the Interview.
- The PET is a 90-minute test with 100 multiple-choice questions, divided into two sections:

- Section 1: General aptitude in research.
- Section 2: Domain-specific test.

Particular	Component	Questions	Marks
Section 1 General	General Knowledge & Research Awareness, English Language, Logical Reasoning, Quantitative Analysis, Data Analysis and Interpretation.	50 Questions	50 Marks
Section 2 – Domain Specific	Domain and related field specific Questions.	50 Questions	50 Marks
Interview by FRC	Only for PET Qualified and PET Exempted candidates.	-	30 Marks

Minimum and Maximum Degree Duration

Category	Minimum Time Period	Maximum Time Period
Full-Time Scholars	3 years	6 years
Part-Time Scholars	4 years.	6 years

Fee Structure for Ph.D programs

Registration Fee	Rs 10,000/-
Course Work Examination Fee	Rs 10,000/-
Academic Fee (Semester wise)	Rs 50,000/- per semester for full time Rs 50,000/- per semester for part time Rs 75,000/- per semester for Sponsored Category Rs 10,000/- for thesis evaluation

Eligibility Criteria for Admission

Global Universities Tie-up

Scholarships

Scholarship/Financial Aid/Fee concession is available for selected scholars, including DBSGU academic/non-academic staff, JRF/SRF/RA employed at the University, national-level fellowship holders, if applicable, as per current policies.

For detailed information visit website.

Residential Life

The fully furnished rooms have several sitting areas, and exercise centers. The university houses its students in separate girls and boys residency.

02 Boys Residency | 04 Girls Residency | 01 Boys Dormitory | Day Boarding Residency

There is a TV, reading books, board games, and a pantry in the common lounge. Students can socialise and form bonds in the common area of the reading room. Additionally, students have 24-hour access to medical care and first aid.

The mess of the institute is spacious and equipped with comfortable dining furniture. It provides hygienic and nutritious food to the students. The students decide the weekly menu according to which meals are prepared and served. Mess staff is conscious about the cleanliness and quality of food in a hygienic manner.
