Progression & Coursework

DBS B.Com + ACCA students will be exempted from the first 9 papers at Knowledge and Skill Levels. The students will get access to the best trainers for the following 4 papers:

Strategic Business Reporting (SBR – INT)

Master the art of interpreting and presenting financial statements for stakeholders at a global level.

Strategic Business Leader (SBL)

Build leadership, strategy, and ethical judgment capabilities through integrated case-based learning.

Advanced Audit & Assurance (AAA – INT)

Gain advanced insights into audit and assurance engagements, ethics, and risk assessments.

Advanced Performance Management (APM)

Learn to evaluate strategic performance and make data-driven decisions in dynamic business environments

Why Choose ACCA ?

Paper Exemption: Start ahead by getting exemptions from Applied Knowledge and Applied Skills levels (F1-F9).

Profession Coaching: Receive dedicated coaching for the final 4 professional-level subjects by qualified ACCA, CPA, CA, CS and Ph.D. faculty.

Global Opportunity: ACCA is recognized in 180+ countries – your passport to international finance roles.

Career Ready Skills: Develop advanced financial, audit, and strategic decision-making skills aligned with global employer expectations.

Big 4 & MNC Edge: Be well-positioned to work with leading firms like Deloitte, PwC, EY, KPMG, and top multinational companies.

University + Professional Advantage: Earn your degree and work toward your ACCA membership simultaneously.

Cost-Effective & Time-Saving: Complete most of your ACCA journey within your undergraduate program.

ACCA-Qualified Faculty: Learn from experts who bring global industry experience and exam insights.

Placement Support: Access dedicated career services to launch your journey in finance, audit, consulting, and more.

Unique B.Com with US- CPA Program

This B.Com / B.Com (Hons) program integrates the prestigious U.S. CPA certification, providing a global gateway to careers in Corporate Finance and beyond. Recognized worldwide as the U.S. equivalent of CA, the CPA qualification is designed to complement a university degree and requires only four exams, making it a streamlined pathway for aspiring finance professionals. With this unique program, graduates gain advanced skills in financial reporting, auditing, taxation, and business analysis, aligning financial strategies with organizational goals.

Global Recognition:

U.S. CPA is recognised in over 150 countries, enabling careers in the Big 4 firms, top MNCs and beyond

Career Opportunities in India:

Graduates earn competitive salaries starting at ₹10+ LPA* in India or leverage the CPA credential to work in the U.S. with salaries of ₹50+ LPA*.

Trusted Learning Partner:

Study with Miles Education, IMA's Global Platinum Partner and a leader in CPA preparation worldwide.

Streamlined CPA Qualification:

Unlike Indian CA, which requires 16 exams and no degree, the U.S. CPA complements your B.Com degree with only four exams:

Financial Accounting & Reporting (FAR)

Auditing & Attestation (AUD)

Taxation & Regulation (REG)

Business Analysis & Reporting (BAR)

Immersive Learning:

Study using materials aligned with international accounting standards and financial regulations.

Comprehensive Curriculum:

Master key areas such as International Taxation, Auditing, and Corporate Finance, preparing you for high-demand roles globally.

Progression & Coursework

Students cover the CPA coursework, fully integrated into their semester schedule:
