

CAMPUS BUZZ

Your campus story starts here!

— August 2025 —

Dear Students,

Welcome to DGU Campus

DGU campus is not just a place for lectures; it's where you will truly thrive. The Department of Student Affairs (DSA) is committed to make you feel at home from your very first day. Whether you need assistance navigating your initial week, finding your rhythm, or seeking a quiet space for reflection, DSA will be your reliable support throughout this journey.

This campus will soon become a canvas for your experiences, filled with friendships, discoveries, and stories that will shape your future. We are here to accompany you, ensuring that every step you take is meaningful and every moment counts.

We are also excited to announce the relaunch of our newsletter in a fresh and vibrant format. It's more than just a calendar update, it's a platform to celebrate your achievements, amplify your voices, and reflect the community we create together here. Each edition offers a glimpse into our shared journey.
