ABOUT DBS GLOBAL UNIVERSITY

DBS Global University- a State Private university in Dehradun- formulated with a merger of Doon Business School (since 2007), in year 2024. With nine schools currently, the university stands as a beacon for creative dreamers, recognizing that those who dare to venture into uncharted territory are the true architects of the future. At the heart of this academic institution lies a transformative learning experience, built around student centricity. The ethos of DBS Global University encourages students to think beyond conventional boundaries, fostering contagious optimism, ethical decision-making, and unwavering tenacity in pursuit of their goals.

This institution distinguishes itself through an innovative approach to education, offering interdisciplinary programs intertwining business, liberal and computing fields that empower students to shape their academic journeys. The freedom to design a personalized path aligned with individual goals and interests sets DBS Global University apart, providing students with a game-changing opportunity to carve a successful and enduring career trajectory.

What truly sets DBS Global University apart is its commitment to an individualized approach, ensuring that each student's academic and professional inspiration is nurtured. This approach encourages a continuous cycle of exploration, experimentation, development, and creation, preparing students not just for a degree but for a lifelong journey of intellectual and professional growth. In choosing DBS Global University, students embark on an educational adventure that goes beyond traditional boundaries, fostering a community of forward-thinkers and visionaries ready to shape the future.

Vision

To be globally recognized for delivering quality education and embracing emerging technologies & innovation, while empowering future leaders to shape a sustainable and progressive world.

BECOME A RESPONSIBLE BUSINESS LEADER:

- Our MBA offers a unique curriculum through a set of core courses and electives. It is designed to develop your managerial skills. You will dive into our faculty's cutting-edge research and tackle the latest business challenges, Sustainability, Digital Leadership, Innovation and Entrepreneurship. These 3 strategic topics constitute the first step to tackling societal and business challenges.

TWO COUNTRY EXPERIENCE:

- The two-year on campus program, **inclusive of (one month each) travel to two countries** gives you a chance to interact with an international faculty, a face-to-face engagement with the foreign students on their campuses and develop an understanding of the global market. This experience will not only build you a global market explorer with detailed knowledge but also gives you a chance to be an entrepreneur with a knowledge of delivery at international level. This will also open doors to a dynamic job market, thriving start-up scene and a diverse cultural experience. The **course curriculum (with the international universities) prepared by DBS Global University** will be taught to our students in any of the combination of two countries – **Singapore, Malaysia, Dubai**. The choice of the courses with our international partners **Singapore Management University (Singapore), UCSI (Malaysia), EM Normandie (Dubai)**, to be offered to our students.

DIVERSE AS THE WORLD, BE THE INDIVIDUAL AS YOU A PROGRAM FOCUSED ON YOUR FUTURE

- A tailor made program is designed keeping in mind subjects covering the need of the global market. Topics covered with Generative Artificial Intelligence Projects Driving Businesses, Mastering Sustainable Practices in Business, Brand building, Design thinking, Essential thinking in the Digital Age etc will ensure students develop transformative, innovative and productive ideas for their work.
- The program has been specifically designed to prepare you for the next step in your post-MBA journey and your future career by helping you to develop the necessary skills and qualities you will need to drive your career and lead with confidence and conviction in an ever-changing, complex and diverse environment.
- Getting opportunities to blend theory with practice through comprehensive business challenges, case studies, and real-world problem-solving will challenge your ability to apply module-specific skills and knowledge to key business issues that will impact your career transformation.

OPEN UP A WORLD OF NEW OPPORTUNITIES

- There is nothing typical or standard about our Global MBA class because we purposely seek to build a cohort which is diverse in every single way. As you spend two months internationally and the rest of the months working and studying with people from a wide range of nationalities, experience levels and professions, you'll be gaining wisdom from the experience, and sharing the wealth of knowledge that you and your fellow students have to offer.
